

Gate City Charter School for the Arts seeks dedicated, outstanding, and innovative faculty and staff to build upon our rigorous academic curriculum and strong arts-integrated learning approach. We are looking for a qualified teacher of math for students in grades 6-8.

Responsibilities Include:

- Teach math and science in accordance with school procedures and state standards.
- Develop an interesting and interactive classroom learning environment for students.
- Use arts-integration and project-based learning to accomplish instructional goals.
- Embrace the school's mission and strive every day to reflect that mission in your classroom.
- Use innovative instructional methodologies/materials to conduct classes in a proactive, stimulating and effective manner.
- Teach social-emotional curriculum.
- Perform periodic assessment to evaluate each student's academic skills.
- Develop and implement a coherent curriculum plan to ensure student academic development.
- Develop lesson plans and materials to ensure student's academic success.
- Maintain an orderly and clean classroom environment.
- Coordinate, observe, and collaborate with other teachers to continuously improve curriculum.
- Maintain accurate and complete student records such as progress reports, attendance reports, parent contacts, etc. as defined by school policy and administration.
- Participate in curriculum development programs, staff development programs, faculty meetings and other school committee activities as required.
- Identify learning challenges of students and provide additional assistance/support as needed. Reach out to collaborate when additional support is needed.
- Assist in organizing and maintaining school supplies and facilities.
- Assist in general supervision of students inside and outside the classroom.
- Develop student behavioral standards to maintain a safe and disciplined environment within classrooms and the entire school.
- Coordinate regular communication with parents/caregivers and all members of the educational team.
- Be a supportive, positive, and invested part of our school community. Special Knowledge/Skills:
 - Knowledge of all applicable federal, state, and local laws, guidelines and procedures.
 - Knowledge of curriculum and instruction.
 - Knowledge of subjects assigned, including current research.
 - Skill in effectively managing a classroom and student behavior.
 - Skill in communicating effectively with others.
 - Skill in modifying instruction for various student needs.
