Dear Parent/Guardian,

As a student in fourth through eighth grade, your child is eligible to partake in our instrumental music program. Students will be provided with virtual instrument lessons before and during school hours on Wednesdays. Students who are in their second year of playing or have played longer than two years are welcome to join the concert band.

We will be hosting a virtual instrument rental information session on Monday, August 24th from 6pm-7pm at the following Zoom link

At this session, students will learn a little of each instrument offered through the school and about the instrument rental process. Parents and students will also have the opportunity to ask questions. Instruments available will be; flute, clarinet, alto saxophone, trumpet, trombone, and percussion.

Lessons will start on September 16th. The first lesson will include how to care for and maintain instruments. A list of lesson times is also included with this letter.

Studies show that students who STUDY and PRACTICE music have all around higher aptitudes and do better academically. Students also involved in music are taught a high level of cooperation and self-discipline and are less likely to engage in negative behaviors. Do not miss this fantastic opportunity to learn to play a musical instrument and be in the band!

Sincerely,

Jess Mason
